This letter is in response to your Request for Additional Information regarding the report covering the period of April 1, 2015 through June 30, 2015.

The contributions you questioned as to possible prohibited entities were from a partnership and contributions were attributed to an individual.

The contributions from Unregistered Organizations are for the most part from California Elected Officials where we verified that funds were from Federally Permissible Funds. The 2 contributions from the Marine Clerks Received on June 30, 2015 were refunded to them on September 17, 2015 the same date we became aware of it.
